Rev. Edwin Lock, W. H. Ryus, John M. Enochs, Thomas Vic Roy and F. H. Barker, of this city, applied to the Secretary of State for a charter for the American Protective Association. Its object as set out in the charter is to protect our country and its free institutions against the secret, intolerant and aggressive efforts that are persistently being set forth by certain religious political organizations to control the government of the United States and destroy our blood-bought civil and religious liberty, to maintain our free public school system and oppose the union of church and state. The probabilities are that a charter will be refused.

Sometime Saturday afternoon between 5 and 6 o'clock Madame Jane Wright,
