

ARGENTINE.

The Police Make Vigorous War on the Joints—Funeral of Matthew Brill.

The police have commenced a merry war on the jointkeepers in this city and are carrying out the orders of Mayor Willard to the letter. Yesterday morning in police court G. P. Hammer, Mrs. Julius Buchholz, Captain Richardson and "Tommy" Lynch were each assessed a fine of \$26.75 for violating the prohibitory law. Lynch paid his fine and at once reopened his "joint" and was rapidly refilling his coffers when Officer Caubarrus quietly stepped in and took him the second time before Police Judge Krauss, who again assessed Lynch the regulation fine. "Tommy" was very much surprised at his second assessment but recovered in time to produce the requisite amount of cash to satisfy Judge Krauss.
