

ARGENTINE.

Mayor Williard's Company Receives Another Big State Contract.

Mayor Williard returned from Topeka yesterday afternoon with the contract for building the large addition to the Emporia Normal school. Mayor Williard and a number of business men are associated in a company and have received several State and government contracts. The enterprise displayed by the company's officers benefits the Silver city.

John Stover caused a great deal of excitement in the West end last night. John had loaded up pretty heavily on "barrel house." He met a crowd of men just before he was taken in, and, pulling a weapon, began firing promiscuously. The crowd ran and no one was injured.

Mrs. J. W. Anderson has gone to Chicago to visit the fair.

The Women's Relief corps gave its social last night at the City hall.

John Dowdell was on trial yesterday in Justice Trowbridge's court on the charge of obtaining \$10 from William Stonick on false pretenses.

Charles Vincent of Turner, while out driving yesterday in the West end, met with a painful accident. His horse became frightened and unmanagable and ran away, throwing him from the buggy to the pavement. He was badly bruised, but not seriously injured.

\$3.25 Per Ton
