

TRYING TO PUT ON A COLLAR

An Attempt Made to Coerce Legislators by One Who Was Hostile to the Voters Who Elected Them

Said a leading business man this morning... Many prominent citizens are beginning to express dissatisfaction with the attitude of the Star on legislative matters involving Kansas City's interests...

Now comes this paper's attempt to use its power to defeat the candidates... by a great majority of the people... to put its collar on the legislators...

THE CITY AT A GLANCE

Rabbi Samuel Schulman the successor of Rabbi Henry Beckwith... will preach his first sermon tomorrow evening.

George H. Allen... was named a renewal of the license to become Inspector J. B. Abbott yesterday...

Chief Hale of the fire department... visited a bit of a trial and will appear as a patient at once.

William L. Adair... died from the effects of an overdose of laudanum yesterday...

Hor Brewer... the county jail for sixty days by Arthur Joyce yesterday for cutting Sheriff Webster with a razor last Saturday evening.

Kansas City... No. 270... initiated two candidates in its interest for the next term of the degree last evening.

The printed check for the January term may be obtained of Clerk Neal today.

The funeral of Miss Porter... who died yesterday at the age of 83... will be held this afternoon from the home of the deceased...

The ladies of the E. L. Church... will hold their regular meeting this evening.

The police... will hold their regular meeting in the Gray building...

Colonel... will hold a meeting...

...leave enough to...

Consequently... make improvements to the electric air into the streets...

...the city... the most beneficially it is possible...

So they took... the city... a strip 1400 feet wide...

All this... the city... with one principal object...

What... the city... in the whole...

A HUNTING THEORY

Speaking of... hunting theory...

STEADY GAIN

THE PROMOTION RATHER THAN BOOMING

...the promotion rather than booming...

...the city... the most beneficially it is possible...

...the city... the most beneficially it is possible...
