The arrangements are excellent. The stakeless ring at the Opera house will probably be

Kluge won the inaugural event handily. The meet was successful in the second contest with Frank Albert finishing third. shortly after 2 o'clock a heavy rain-storm broke forth and the crowd hurriedly sought shelter. The burial was not postponed, however, but started at the appointed time, being followed by about 300 Grand Army men and Odd Fellows. Lightfoot's coffin cost but \$65—a noticeable contrast to Arata's elegant casket.

No trouble occurred during the day and everything is quiet tonight. Three hundred additional unemployed men arrived in Denver this morning from points in the State. The cheap transportation of a cent a mile hitherto existing, but which was withdrawn last night prevented many leaving for the East who desired to go. There were, however, a hundred or more persons carried out on freight trains. Camp Relief fed a thousand or more people today, but, as indicated in these dispatches last night, it will be closed on Thursday morning. This is because the majority of the inmates now are professional tramps. A committee of this element will wait upon the executive charity committee tomorrow and ask them to continue the relief camp. It is a feast for many of them. Their petition will scarcely be complied with.

**MARRIED A CELESTIAL.**

Miss Lizzie Fairman and Dr. Lee Ling Wedded at Peoria, Ill.

PEORIA, ILL., July 30.—Dr. Lee Ling, a Chinese physician of Chicago, and Miss Lizzie B. Fairman, an American girl of the same city, were married here today by Rev. Dr. McAlpine of the Universalist church. The bride is a very pretty girl of 18, the step-daughter of a Mr. Walsh, who operates a saloon in the World's fair city and, owing to his strenuous objections to the match, the pair eloped to this city and had the ceremony performed.

Dr. Ling is 30 years of age, and claims to have a good practice, not only among the people of his own nativity, but also the better class of Americans. In conversation with a United Press reporter, the young lady stated that she had known the doctor for about five years, and was thoroughly in love with him, as he was with her. She saw no objections to a marriage of the kind, and was satisfied she would never regret it.

**HER BODY NEARLY DEVoured.**

A Missing Woman Terribly Mutilated by Hogs and Birds.

Special to the Kansas City Times.  
 WEST PLAINS, MO., July 30.—About the first of the month Hunter Singleton of Shannon county left the house where she was staying with the intention of gathering huckleberries. She failed to return, and search was made for her but with no success until this week, when her body was found in the woods, terribly mutilated. It had apparently been there for some time, and had been partially eaten by hogs and birds. Some of her bones could not be found. She was partially deranged, and it is supposed she died in a spasm.

A Pleasant Sunday at Gray Gables.

BUZZARDS BAY, MASS., July 30.—President Cleveland spent Sunday quietly at Gray Gables. The day was passed on the veranda with Mrs. Cleveland and Dr. Bryant. At 6 o'clock in the evening Mr. Cleveland and Dr. Bryant drove to the station, and Dr. Bryant boarded a train. President Cleveland then returned to Gray Gables. Before going Dr. Bryant said his visit at Gray Gables was ended. He should go to Sorrento, Me., to pass a week with his family and then return to New York.

ship, Maria in Santos. Others had died later.

**TWO NEGROES LYNCHED.**

They Were First Beaten, Then Hanged and Finally Riddled With Bullets.

COLUMBIA, K. C., July 30.—Two negroes who committed an assault upon Mrs. Rightler of Gaston were lynched today. Will Thompson, an over-grown 16-year-old boy, was caught near Columbia and taken to Gaston early this morning, while his captors were met by a mob of 200 people, who were joined by 100 from this city. Thompson confessed that he and Andy Kaigler, also colored, committed the crime one week ago. The crowd proposed to nail him up in a turpentine barrel and burn him, but instead he was hanged to a small tree. Before the hanging Arch Rightly, husband of the woman, laid fifty lashes on the wretch's back with a heavy buggy trace, every blow bringing blood. When he got tired another man took his place and continued the whipping. Thompson could not yell, as the rope around his neck choked him. After the hanging a hundred men fired into his body with pistols, shotguns and rifles. Hardly a square inch of his body escaped a bullet.

At 11 o'clock a man named Preston was captured eleven miles from Garston and was taken to the scene of the early morning tragedy. Here all the horrors of the Thompson lynching were re-enacted. Preston was stripped and pinioned to the same scaffold which had served for Thompson. Arch Rightler, with the same heavy buggy trace, beat the unfortunate wretch, and when he was exhausted the whipping was continued by others of the mob until the negro's entire body was a mass of bleeding flesh. At 1 o'clock, after Preston had regained consciousness, he was strung up, and to the same limb to which Thompson had been hanged four hours before, and his body riddled with bullets. Preston declared his innocence to the last.

At 9 o'clock tonight the mob at Lexington court house had swelled to fully 1,000 people and an attack upon the jail, where Kaigler is confined, was momentarily expected. It is not believed that the sheriff will offer any serious resistance.

**RANGERS CALLED TO PECOS.**

A Bad Man Out on Bail Terrorizes the Entire Town.

EL PASO, TEX., July 30.—Late last night District Judge C. N. Buckler received a dispatch from Sheriff Bud Frazier of Reeves county asking to have the Rangers sent to Pecos at once. Judge Buckler telegraphed Governor Hogg, but has heard nothing from him. No details were given and Judge Buckler can form no idea of the cause of the trouble.

Sheriff Frazier of Reeves county came in tonight and gave the reason for the request for rangers. He says that Miller, who was recently arrested on the charge of attempting to assassinate the sheriff, is out on bail, and that he has a gang of desperate men who are doing all in their power to terrorize the peaceably disposed people of the town. He reports that business houses are under guard and that a plot to rob the depot of the Texas Pacific railroad has been discovered. Miller is known to be a bad man, and other equally desperate men are said to be in the gang. Captain Hughes has been ordered by the Governor to report to Sheriff Frazier with his company of Rangers, and has returned with the sheriff to Pecos City.
