
FRANK JAMES AND BILL DALTON

**They Are Making Their Plans for the
Opening of a Big Saloon in Chicago
at an Early Date.**

GUTHRIE, O. T., April 22.—[Special.] William Dalton, brother of the notorious Dalton brothers, who were killed at Coffeyville last fall, and ex-member of the California legislature, and at one time charged with train robbing in California, has been in this city for several days and left to-night for Dallas, Tex., to meet Frank James, of equal notoriety, and to complete arrangements for the opening of a large saloon in Chicago at an early date, by the two. Their great notoriety will be a card which will draw them immense patronage.
