

CAPTAIN HOGARTY IS HOME.

He Will Look After the Chinese at Bonner's Ferry, Idaho.

Captain William Hogarty of Quindaro returned yesterday from Washington with his commission as Chinese inspector. He has been assigned to duty at Bonner's Ferry, Idaho, and will leave for that place tomorrow. Besides looking after the Chinese he will be inspector of the port at that point. The captain is feeling highly elated over receiving the office and all day yesterday he was busy shaking hands with his many friends here. His office pays \$4 a day and expenses.
