### "Pinky" Blitz's Case Dism'ssed.

The case against Pinky Blitz for felonious assault was dismissed in Justice Spitz court late yesterday afternoon because of the absence of the prosecuting witness. Blitz was arrested about three weeks ago on complaint of Harry Arthur, a conductor on the Ninth Street cable line. Blitz cut Arthur in the neck during a fight at Grand avenue and Fourth street. The case was continued a number of times in hopes of getting Arthur into court.
