

READY FOR THE STARR GANG.

**A Desperate Raid on Caney, Kas., Folloed
by the Receipt of Warnings.**

INDEPENDENCE, Kas., May 6.—Yesterday afternoon the Starr gang rode into Caney with the intention of making a raid upon the banks. The report that they were coming reached town before they did, they having been recognized on the road, and when they appeared they found the bank and stores closed and guarded and made no attack.

This is the same town the outlaws made an attack upon a few months ago, getting away with several thousand dollars belonging to the Caney Valley bank.

The Montgomery County Bankers' association has offered a large reward for the arrest of any of the parties implicated.
